

Washington State Integrated Care Conference

SAVE THE DATE— Friday, May 29, 2020 Integrated Care Innovations

Behavioral health workforce needs are rapidly evolving in the context of health care reform and Washington State efforts to fully integrate behavioral health care. Join a community of stakeholders interested in academic and community partnerships to train the workforce of the future. Together we can improve mental health care and the health of Washington State!

Conference highlights:

- ✓ Opening Plenary: *"The Future of the Integrated Behavioral Health Workforce"*
Jürgen Unützer, MD, MPH, MA and
Anna Ratzliff, MD, PhD
- ✓ Panel and presentations of current behavioral health workforce innovations
- ✓ Networking with other stakeholders
- ✓ Development of future innovations
